

CITB SMSTS Refresher

Site Managers Safety Training Scheme (2 Days)

Refresh your knowledge and re-validate your SMSTS Certificate by taking this refresher course.

Course Overview

This course is designed to allow delegates to maintain and update their current health and safety knowledge and will provide delegates with an understanding of

- Their responsibilities and accountability for site safety
- Health and welfare
- Current health & safety legislation including risk assessment

Please note that this course is only suitable for persons who have previously completed the SMSTS 5 day scheme.

Course Syllabus

The course covers the Health & Safety at Work Act and other regulations and requirements relevant to the construction industry, including the following areas:

- Site set up
- CDM Regulations 2015
- Risk Assessments
- Method Statements
- Scaffolding
- Electricity at Work
- Excavations
- Demolition
- Confined Spaces
- Discuss recent changes in accepted working practices, legislation and guidance
