

# Safeguarding Adults

An essential course for anyone who comes into contact with vulnerable adults as a part of their role. Sharps contaminated with infected blood can transmit over 20 diseases including HIV, Hepatitis B & C. The transmission risk can cause a great deal of worry and stress

## Course Overview

This Safeguarding Adults Training Course is suitable to a wide range of professions including those persons in health and social care, community services, emergency services, volunteers and social housing providers.

The aim of the course is to raise the delegates' awareness of the different types of abuse, the signs and correct reporting systems to prevent abuse wherever possible. The course is formulated in recognition of the Care Act 2014.

## Course Syllabus

The course contains the following elements:

- A clear understanding of the Care Act 2014
- Duties of care
- Recognising signs of abuse
- Rights of vulnerable adults
- What to do if you suspect abuse
- Good practice in responding to concerns
